

Constructions and Conversions in the Parish

The front cover shows our friendship house, finished in December 2008, accommodation upstairs, 4 twin bedrooms, sitting room, etc, office accommodation downstairs plus a couple of rooms for staff. The next picture is our friendship house being blessed by Bishop Joseph Willigers, Bishop of Jinja Diocese, on the 1st March 2009.

This is the old parish hall which has been converted to a ward for pre and post operative patients together with a physiotherapy department and living accommodation for a nurse. This conversion has been possible due to a very generous donation by a Worth parishioner.

Future Project

This is a temporary carpentry workshop in the garden to cope with the lack of space. A new, larger workshop is needed and this project is due to start soon and is kindly being financed by a very generous donation from a Worth parishioner's family trust.

IRUNDU UPDATE

Autumn 2009

Vocational School Projects Funded Other News

This is a picture of some sponsored pupils in a hairdressing class.

Here woman are going to operations funded by the sale of beads which are made by a Women's group in a near by village.

The children who attend St Benedict's nursery and primary school, run by the Sisters of Grace and Compassion, handing over pictures to Cynthia that they had drawn for the children at St Dunstan's .

Here is a carpentry workshop with some sponsored students.

A family in front of their home with a mosquito net over their door, one of the nets funded by last Christmas's collection.

Here are some of our sponsored students during a tailoring class.

Some children sitting on one of the 150 benches funded by the parishioners 'tin' money.

The Ox-Plough micro-credit is going very well, repayments are being made and it is extremely popular with the farmers. The rainfall seems to be adequate so the harvest is expected to be good. There also seems to be lots of interest in taking loans at the end of January when they are next available.
