

## Day of Prayer For Creation

Pope Francis has asked us all to make Sunday a day of prayer for all Creation. We remember that Creation is a special concern of his, which he wants every Christian to adopt. He is the first Pope to dedicate an encyclical to this issue, *Laudato Si*, and we know that this was a very timely response to the ecological crisis which our planet faces. He calls us all to celebrate this opportune moment to “reaffirm our personal vocation to be stewards of creation, to thank God for the wonderful handiwork which he has entrusted to our care, and to implore his help for the protection of creation, as well as his pardon for the sins committed against the world in which we live.”

This weekend is the beginning of “Creation Time”, which runs until the feast of St Francis, on 4<sup>th</sup> October. Our parish will celebrate a special mass for Creation on Saturday, 5<sup>th</sup>, to unite our prayers with those of the whole world in the great offering and intercession of Jesus. Do please note this in your diaries.

You will remember CAFOD’s campaign, *Our Common Home*, and will find materials on their website. (This is available via the parish website, together with the text of *Laudato Si* and an excellent commentary on it by Alan Rew.) They write: *Climate change affects our health, our homes, our heritage and our beautiful landscapes. It ruins the work we do to fight poverty and to lead better lives. We have made huge progress on climate change, but things are urgent now. We need to work together to go further and faster to end climate change. Together we Catholics can turn the tide. We can treat our home with respect by leading the way, taking responsibility and forging new habits. We can call on politicians to go further and faster with emissions cuts.*

Please visit their website, and please use this prayer from *Laudato Si*:

Father, we praise you with all your creatures. They came forth from your all-powerful hand; they are yours, filled with your presence and your tender love.

Praise be to you! Son of God, Jesus, through you all things were made. You were formed in the womb of Mary our Mother, You became part of this earth, and you gazed upon this world with human eyes. Today you are alive in every creature in your risen glory.

Praise be to you! Holy Spirit, by your light you guide this world towards the Father’s love and accompany creation as it groans in travail. You also dwell in our hearts and you inspire us to do what is good. Praise be to you.
