Dear Parishioners

It is with regret that I pass on the instruction of the Bishops of England and Wales that there will be no more public liturgy until further notice because of the Corona virus. Please see the parish website for their letters. Do please also look on the website for opportunities to follow mass and devotions online. You might also like to join with the monastic community at the hours of prayer by accessing Universalis for the Roman Office (the traditional prayers of the hours) which you can also find on the parish website.

I send you all my prayers at this difficult time and wish you a strong moment of devotion and service to one another as we progress through Lent to the celebration of Easter.

Yours.

Fr Paul
