

Laura's Progress – 20th November 2020

Laura continues to improve and has recently got some feeling back in two of her fingers. She is also walking with one stick and sometimes unsupported. On our last visit she walked outside with her physiotherapist, tackling two fairly challenging slopes very well.

Her fine motor skills are also better and she is able to be more involved in meal preparation and activities with Ella. Her handwriting has also improved due to constant and daily practice. She is also able to dress herself, including putting on socks and shoes. Laura is also managing some activities on her phone and her computer.

Lee and I are going over for our fourth visit to help the family so will be staying there for two weeks from Friday, 27th November, which will enable us to attend (if lockdown allows!) Paul and Becky's wedding on 18th December.

Thank you so much for your continued support. We really appreciate it.

Jan and Lee
